

## Create an AWS Account

If you do not have a standalone AWS account, create an AWS account on [aws.amazon.com](https://aws.amazon.com)

- You will need to use an email address not associated with any previous account
- You will need to follow automated account verification process which includes adding a valid credit card and a verification phone call with pin code entry

## Sign up for AWS Educate

Once you have your AWS account set up, retain the account ID information found at the top right of your AWS Management Console when logged in then:

- Go to: <https://www.awseducate.com/Registration>
- Select **Student** and click "Next"
- When filling out the application:
  - Enter your institution name OR if your institution is a member, please select it from the drop down
  - Enter your institution issued email address
  - Enter your 12-digit AWS Account ID
- After completing the Captcha, you will be asked to choose an account type, **please enter your AWS account ID** or before selecting the Educate Starter Account review FAQs at: <https://www.awseducate.com/faqs?app=2>
- After selecting next, open the link sent to your email to accept the AWS Educate Terms and Conditions and verify your email address
- After completion, you will be redirected to a "Thank you!" page confirming your application has been submitted and is under review
